Good Code, Better Tomorrow

Hello, I'm

Syeda Atruba

Full Stack Developer | MERN Enthusiast

PROFILE

Full stack developer with 5+ years of experience building modern, responsive and user-friendly web applications. I focus on clean, readable code and a great user experience, and I enjoy turning ideas into interactive websites. Skilled in React and the MERN stack, and always learning new tools and technologies.

PROJECTS

Task Manager App

React · Tailwind CSS · LocalStorage

- A simple, clean task management app built with React and Tailwind CSS.
- Tracks open and completed tasks with a progress indicator; data persists in the browser.

Food Recipe Website

React · API · Tailwind CSS

- A responsive website for exploring recipes with a modern UI.
- Pulls recipe data from an API.

E-commerce Store

React · Node.js · MongoDB

- A modern e-commerce store with cart functionality and product filters.
- Full-stack build on the MERN stack.
